School Anthem

The bells of our school ring out far and wide,
Their chimes make our childhood so happy & bright,
They welcome young scholars to work and to play,
They call us to duty, they call us to pray.

Chorus: O Bells of our school we hear you repeating
The dear song of gladness, of sweet memories.
You tell us of striving, of frank and fair dealing
You sing to us of truth and love and victory.

In Children's Academy we spend happy times,
We learn the fine arts and true meaning of life
In the shade of our school we find comfort and light
To fight the good fight and to do what is right.
