### Transportation Policy

#### School Bus Policy

- ✿ We endeavor to provide the best possible service for both parents and students. We place the safety and responsibility of the children as our highest priority.
- ✿ We value the parents' trust in our service and try to provide the highest standards of care. We believe that a school bus is an extension of a classroom and it is important that the school authorities give adequate attention to the discipline and well-being of the children in buses.
